**LA County Moving Together
Los Angeles County Transportation Summit Resolution No. 2002-07
November 18, 2002**

Bringing More Local Transportation Funding to Los Angeles County

Description: Resolution endorsing planning processes and performance measures in Los Angeles County in preparation for possible expansion of local transportation funding in future years.

WHEREAS, Securing adequate local transportation funding for implementing short and long range plans is vital to keeping the Los Angeles County economy moving; and

WHEREAS, Unmet transportation needs in Los Angeles County amount to more than \$30 billion over the next 25 years; and

WHEREAS, There may be significant opportunities to secure more local funding through the Mobility-21 consensus building process.

NOW, THEREFORE, BE IT RESOLVED BY THE Mobility-21 Coalition:

THAT Mobility-21 proposes a half-cent increase in sales tax for transportation purposes; and

THAT Mobility-21 seeks other public and private funds for transportation; and

THAT this resolution shall be widely circulated to interested parties to include the Los Angeles County congressional delegation, the Governor, members of the California legislature, the cities within the County, the media and others, and is so accordingly Ordered.

PASSED AND APPROVED BY THE MOBILITY-21 COALITION, this 18th day of November, 2002.
