**RE: SUPPORT for Los Angeles County Metropolitan Transportation Authority's  
STIP Amendment**

Dear Chairman Lindsey:

As a member of the Los Angeles County **MOBILITY-21 Coalition**, we would like to express our strong support for the Los Angeles County Metropolitan Transportation Authority's (MTA) request for an amendment to the State Transportation Improvement Program (STIP).

The MOBILITY-21 Coalition is a countywide nonpartisan organization of transportation stakeholders and their representatives. The primary mission of the MOBILITY-21 Coalition is to educate and advocate for Los Angeles County's transportation priorities at the federal, state and local levels. The MOBILITY-21 Coalition includes more than 500 businesses, business associations, transportation providers, non-profits, environmental groups, transportation users, and labor officials. Attached is a resolution the coalition has adopted in support of the MTA's STIP amendment.

Thank you for your consideration of this request. The MOBILITY 21 Coalition plans to return to Sacramento in June to advocate for the region's transportation needs. Thank you for your leadership and we look forward to working with you to address these important issues.

Sincerely,

**Your Title and**  
MOBILITY-21 Coalition Member
